Math 541 – Numerical Analysis
Cover Page
Homework _____

Name: _____   Date: _____

email address: _____

I, _____ , pledge that this homework is completely my own work, and that I did not take, borrow or steal code from any other person, and that I did not allow any other person to use, have, borrow or steal portions of my code. I understand that if I violate this honesty pledge, I am subject to disciplinary action pursuant to the appropriate sections of the San Diego State University Policies.

Most homework will be assigned in WeBWorK, where you will answer the appropriate questions. Some problems will require additional written work, which will be answered appropriately and presented with this cover page.
